

# 'Applied Technology' Award

*Cummins Inc. is a Platinum Sponsor of Tech Inspection at this year's Formula SAE Competition in Brooklyn, MI. We invite you to apply for the \$1,000, \$750 and \$500 awards by answering the following questions and submitting this form to Cummins employees at our booth during Competition. Our employees, who are FSAE Alum, will then visit the top 10 teams to discuss the innovative technology applied to their cars.*

**Describe any innovative technology added to your FSAE car this year or last.**

**Describe the need for this technology.**

**Please describe the competitive advantage gained by using this technology.**

*Application questions are continued on the back - please fill out completely.*

**Please describe how engineering analysis was used to identify the root cause of the problem.**

**Describe the engineering process used to apply the technology.**

**How did you know that this was the most cost effective solution?**

**Do you have any interesting stories to share about the development or application of the technology?**

*Thank you for applying new technology and pushing the limits of current technology. Your team is a great example of Working Right!*
