

Innovating the Industry— Impacting the Future

SAE Awards recognize the very best for their outstanding achievements and profound impact on mobility, SAE International, and the world. The highly prestigious awards provide a powerful global platform to gain recognition, boost team morale, and demonstrate technological and societal impact.

“The Team at GM was honored to receive such a prestigious award and humbled by the recognition given for our project. Thank you SAE and IHI!”

Encouraging Academic Excellence

Helping Students Achieve Their Dreams

Each year, scholarships from SAE International provide crucial financial support for more than 50 outstanding undergraduate and graduate students pursuing STEM-related majors. Funded through the SAE Foundation, these scholarships encourage academic excellence and help students pursue their passion for engineering.
