

2017 Formula SAE Michigan

Toyota Perseverance Award

\$1000 prize to be announced at 7pm Friday evening award ceremony.

(Deadline for submission **1pm Friday**)

- 1) Staff from Toyota will walk through the Paddock to informally talk to teams and fill out form below
- 2) Teams can also "volunteer" for this activity by stopping by our booth in the Paddock to explain an example of perseverance from their team.
- 3) Judgment Criteria include:
 - A) Team overcame substantial obstacles to achieve a **"planned" technical** objective
 - ➔ Design goal/objective that was set at the beginning of the project rather than "emergency" obstacles
 - ➔ Should be technical, not just organizational or fundraising related
 - B) Objective/challenge/obstacles explained clearly
 - C) Team has approached challenges with relentless persistence and dedication
 - D) Demonstrates Teamwork & Positive Attitude

School _____

Student Name(s) _____ Year/Role: _____

Year/Role: _____

Year/Role: _____

Describe in one phrase a challenging objective your team addressed in the development of your vehicle:

Example Objectives: 20% lighter frame than previous year, Complete 1 month ahead of competition to leave time for driving practice, Full-composite structure.; switch to E85 fuel
--

List the obstacles your team encountered to meet this objective and how obstacles were solved with perseverance

#	Obstacle to achieving Objective	Perseverance to overcome Obstacle (relentless persistence and dedication, positive attitude and teamwork)
